Som Aalborg bys borgmester og som dette stævnes protektor er det mig en stor glæde at kunne byde velkommen til disse ungdoms-europamesterskaber i bowling.

Det er mit ønske, at samtlige deltagere i stævnet vil få sportslig godt udbytte af deltagelse i konkurrencerne og også vil befinde sig vel i vor by, som er kendt for at være idrætten venlig stemt.

Det er således Aalborg by, der har opført denne bowlinghal, som bowlerne selv driver, idet kommunalbestyrelsen finder, at bowling er en sund og fornuftig adspredelse for dens udøvere.

Med ønsket om, at opholdet i Aalborg må blive et kært minde for samtlige deltagere, ønsker jeg endnu engang alle rigtigt hjerteligt velkommen.

It is a great pleasure for me as mayor in Aalborg and protector for this arrangement to welcome all of you to the European Youth Tenpin Championships in Bowling. I hope, that every participant will have pleasure through the stay – sportswise in competitions as through togetherness among fellowbowlers from many countries. I certainly very strongly also want to express the wish, that every one of you will enjoy these days in our city. It is known as very sportsminded. By the way: the city as such has build this hall for bowling, while it is run by the bowlers themselves, because we in Aalborg firmly believe, that bowling is a very healthy, wise and enjoyable way of sparetime-activity in modern times. Once more I welcome all of you with the sincere wish, that this stay in Aalborg will supplie you with a plesant memory for life.

Marius Andersen.

Dansk Bowling Forbunds hilsen ved de fjerde Ungdoms Europamesterskaber i bowling

Det er med den største glæde og forventning, at Dansk Bowling Forbund hilser alle deltagere, spillere som ledere, ved de 4. Ungdoms Europamesterskaber i bowling, velkommen til Danmark og til Aalborg. Vi er i Danmark meget stolte af at være første værtsnation for mesterskabernes nyeste islæt, separate pigehold. Udviklingen i europæisk pige bowling har klart vist, at en deling var på sin plads.

At vi i de kommende dage vil kunne opleve europæisk bowling i topklasse føler vi os helt overbevist om, det borger kvaliteten af de ti nationers hold for.

Naturligvis håber vi, at UEM-78 bliver en uforglemmelig oplevelse for alle, og at mesterskaberne vil bringe venskaber og bowling-minder på tværs af grænser og sprog, som enhver vil se tilbage på med glæde og tilfredshed, og se frem til påny at opleve indenfor rammene af vor sport.

Under alle omstændigheder skal Dansk Bowling Forbund gøre sit yderste for at opholdet i Danmark og deltagelsen i UEM-78 bliver mindeværdigt.

Velkommen til Danmark til UEM-78 i Aalborg.

The Danish Bowling Association's Welcome at the European Youth Championships in Bowling

The Danish Bowling Association has great pleasure in welcoming all participants, players and officials, in the fourth European Youth Championships in Bowling to Denmark and to Aalborg.

In Denmark we are very proud of being the very first hostnation for the newest element of these Championships, separate girl teams. The development within European girl bowling has clearly proved that a separation was appropriate.

We are convinced that the days coming we shall be able to see European Bowling in top class, the quality of the ten nations' teams answers for that fact. We hope of course that the EYC-78 becomes an unforgettable experience to all and that the Championships will bring friendship and bowling memories across borders and languages, which everyone will look back on with pleasure and satisfaction and once more look forward to meeting within the scope of our sport.

Under any circumstances the Danish Bowling Association shall do the utmost to make the stay in Denmark and the participation in the YEC-78 memorable.

Welcome to Denmark, to EYC-78 in Aalborg.

Dansk Idræts-Forbunds hilsen til Ungdoms-EM i bowling

Det er mig en stor glæde at byde deltagerne i det fjerde ungdoms-europamesterskab i bowling velkommen til Danmark.

Det er vældigt inspirerende for mig at se det ene store, internationale idrætsarrangement efter det andet finde sted i Danmark. I disse dage er det endnu ikke syv uger siden, at jeg blev valgt som formand for Dansk Idræts-Forbund, og i samme tidsrum har fire sportsgrene været værter for en lang række udenlandske kammerater til VM eller EM-stævner.

Denne gang er det en forholdsvis ung idrætsgren. EM for ungdom er en værdig markering af Dansk Bowling Forbunds 10 års dag for ikke så længe siden. Som et nyt idræts-tilbud med appel til hele familien har bowling udsigt til at blive en stor faktor også i dansk idræt.

Ungdomsarbejdet lægger grunden til en sådan fremgang. Held og lykke med dette EM-stævne!

The Danish Sports Federation's Welcome at the European Youth Championships in Bowling

I have great pleasure in welcoming the participants in the fourth European Youth Championships in Bowling to Denmark.

It is a great inspiration for me to see one big, international sporting event after another here in Denmark. Only seven weeks ago I was elected chairman of the Danish Sports Federation, and during this period four different sports associations have arranged World Championships or European Championships for many foreign fellow competitors. This time it is a rather young sport. The European Youth Championships is a fine way of celebrating the Danish Bowling Association's recent ten years anniversary. As a new sport appealing to the whole family, Bowling has a fair good chance of playing an important part in the sport also here in Denmark. The work among young people forms the basis of such progress. Good luck with the European Championships!

SVEND O. HANSEN
Chairman of the
Danish Sports Federation

Dansk Idræts-Forbund har ca. 1,3 mill. medlemmer inden for 44 sportsgrene. Dansk Bowling Forbund har været med i DIF siden 1970.

The Danish Sports Federation has approximately 1,3 million members within 44 different sports. The Danish Bowling Association has been a member of the Danish Sports Federation since 1970.

5 restauratører slapper af med bowling...

- og bowlere slapper naturligvis af på:

KROGHS VINSTUE, Islandsgade 2, Aalborg

RESTAURANT LIMPOTTEN, Østeraa 18, Aalborg

SOLSIDE HALLENS RESTAURANT, Lerumbakken, Nørresundby

RESTAURANT AALBORG KROEN, Kongensgade 6, Aalborg

BRISTOL, RESTAURANT & PØLSEBAR, Østeraa 2, Aalborg

I consider it a privilege and pleasure to be able to extend a warm welcome, on behalf of F.I.Q., to all attending the 1978 European Youth Championships and, whether they be actually bowling, or simply supporting, I feel sure they will be present at a most memorable event.

To the World Organisation, there can be nothing better than to see our sport grow and there is a special delight in watching this expansion being supplied by the enthusiastic end keen youngsters taking part in the Championships.

The future for Tenpin Bowling beckoms brightly and there is every possibility that participants could, one day, be representing their country in an effort to obtain a Gold Medal in the Olympic Games.

In looking forward to enjoying some first class bowling, thanks must surely be due to the members of the Dansk Bowling Forbund who have obviously worked extremely hard and well deserve our gratitude.

Congratulations to the Organisers and the very best of bowling to every entrant.

MAURICE GLAZER M.B.E.
President, Tenpin Division, F.I.Q.

In my capacity of President F.I.Q. European Zone and also on behalf of the Presidium F.I.Q.E.Z. I bid you all a hearty welcome on the occasion of the 4th European Youth Championships 1978 at Aalborg. I am very pleased to put on record the important increased interest for participation and also the possibility for participation of our young ladies members, this year for the first time.

It is the firm conviction of the F.I.Q.E.Z.-Presidium that these Championships will contribute to the further growth of the ties of friendship between the youth of the participating countries.

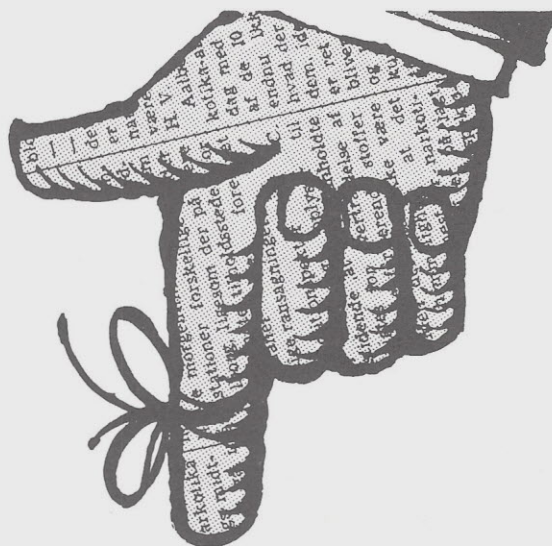

Taking advantage of the occasion I want to thank the enthusiastic Board of Governors of the Dansk Bowling Forbund for the spontaneous willingness to organize these championships.

I want to finish in the hope that for all of you these European Youth Championships will be very successful in the sportmanlike and every other way.

Provinsbanken har pengene til jeres planer

- flere penge
mens du er ung

Det starter med, at du får din løn overført til os.

Vi aftaler, at du hver måned sætter et beløb til side, og samtidig får du skriftlig garanti for, at du allerede efter 3 måneder kan låne penge af os.

Vi betaler alle dine faste udgifter for dig – og sluser dig ind i landets bedste låneordning, som betyder at du allerede efter et år kan låne igen.

En 3-DÆKKER er en god start på dine fremtidsplaner.
